Life change through adventure

THE OPPORTUNITY:

we are running out of space

1 SUMMER CAMP FOR INDIVIDUALS

SUMMER CAMP FOR INDIVIDUALS WILL SOON BE FULL.

We would love to grow with our camper families.

AGE-SPECIFIC PROGRAMMING

We really need a dedicated 3rd space for this program so we can deliver age-specific programming. Imagine designing a message, activity, or experience for 7 grades at once, in the same space. We've been creatively solving this problem, but as camp fills up, the need is really making itself known! We currently have our High School campers sharing a campus not designed for them, and it will only work for so long.

FINANCIAL SUSTAINABILITY

While meeting the needs above, allowing this program to continue its growth increases the financial health and longevity of this gospel-centered ministry and our mission.

EQUIPPED SUMMER STAFF - ABOUT OUR MISSION

We work hard to build the best team and stay focused on our mission, but the poor state of the summer staff dorm is a major distraction. Parents, youth pastors, staff, and camper families have all voiced concerns. Our remodel plan will greatly improve the experience for both staff and guests.

THE PROJECT:

grow where we are planted

.....

THE NEED:

kids need the Gospel & the power of camp

MORE AND MORE CAMPERS ARE TELLING US THE WORLD FEELS INCREASINGLY AGAINST THEM.

There are fewer safe places to talk about the tough questions about their faith, and open up about their anxieties, sin, and dysfunction in their lives. There is a great need to be inspired and challenged to live a healthy, godly life in Christ.

ONLY ONE THIRD of teens in the US are committed Christians.

ONLY 24% of kids get enough exercise per day.

50% of Christian teens fall into nominal Christianity or fall away from the church completely by young adulthood.

DAILY SCREEN TIME

TEENAGERS:
9+ HOURS

CHILDREN AGES 8-12:
4-6 HOURS

THE SOLUTION: *camp is a great place for adventure, relationships, and truth*

2/3

of campers testimonies include personally powerful camp stories that were significant in their faith formation

At least
3,000
minutes per week spent outside

100%

of a camper's time is spent OFF screens and fully engaged with fellow campers, role-models, and God's word!

65%

of campers retained an increase in biblical gospel knowledge 2 months after camp

Campers and staff tell us something is different about Camp Eagle! They can get in a healthier place with their anxieties and tough questions about their faith and life.

Ever since Camp Eagle was formed we have known what we are about and that has made all the difference. We love how Christ-centered our mission is and how adventure, relationships, and truth work together to inspire others to be more like Him. Nowhere else is this mission better seen than in the stories of our campers. We are deeply grateful for your support of the Camp Eagle mission.
